

## **Mulbarton Allotment and Leisure Gardeners' Association (MALGA)**

### **About Us**

MALGA aims to promote an interest in all things horticultural (including the associated health benefits). Membership is open to all allotment holders, and all leisure gardeners however large or small their garden or window box may be.

### **Activities**

Our present activities include social events, such as pub nights, dinners and barbeques (on the allotments and in private gardens), where the conversation occasionally reverts to recent gardens problems, pests and diseases. We also have an allotment open day open to all visitors to demonstrate the joys and benefits of gardening.

In the future we are hoping to expand our activities to include talks by outside specialists, a Mulbarton Gardeners' Question Time, a photographic competition, and group visits to public gardens in the area.

### **Membership**

If you would like to join, membership is presently a meagre £3 annually (yes annually, less than the cost of a pint of beer) and this includes your national membership too.

Your membership card gets you discounts at many outlets. (Gosh, if only all life's decisions were as easy as this one.)

To join us, email [geoffandvirginia@tiscali.co.uk](mailto:geoffandvirginia@tiscali.co.uk) or contact our Chair Janet Feltham on 01508 578 714

### **Allotments**
