

03.02.18:

Dear Friends,

I just added the petition "STOP RUINING MULBARTON".

It would mean a lot to me if you took a moment to add your name because:

Mulbarton has had two very large developments and together these have placed significant strains on the village. Despite working hard to cope, the village school and village surgery are very stretched. Voluntary organisations are also overwhelmed with demand that they are unable to satisfy, e.g. the Scouts whose HQ is used every evening, who have started new cub packs and beaver colonies, and now have waiting list and no further vacancies. The providers of nursery facilities are similarly busy as are mother and toddler groups. The traffic in the village is increasingly busy and the tailback from the traffic lights where the B113 joins the A140 can stretch for over a mile in busy time. Mulbarton used to be a peaceful rural village but it is beginning to lose that identity. As our elected representatives we ask you to stand up for this village and say we have done our bit towards the housing crisis. Just do not ask us to do more .

<https://you.38degrees.org.uk/petitions/stop-ruining-mulbarton>

Real change happens when everyday people like you and I come together and stand up for what we believe in. Together we can reach heaps of people and help create change around this important issue.

After you've signed the petition please also take a moment to share it with others. It's super easy – all you need to do is forward this email or share this link on Facebook or Twitter:
