For immediate Release

19 February 2018

Pavement maintenance on Elm Rd, Alder Close
and the eastern side of Gowing Road in Mulbarton

Work will begin on Monday 5 March 2018 to reconstruct the pavements on Elm Rd, Alder Close and the eastern side of Gowing Road, Mulbarton. The works will take four weeks to complete subject to suitable weather conditions.

During the works all roads will remain open to vehicles, however it will be necessary to close short lengths of the pavement as works progress. Works will commence at the junction of Bluebell Road continuing towards the other end of Gowing Road.

The works are required as part of routine maintenance to improve the current condition of the pavements.

The County Council thanks people for their patience and cooperation while this improvement work is carried out.

The work which will cost £32,000 and will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
