

We are planning a new

 in south Norwich

We want you to tell us what you think about our proposals

 **Timetable for the development**

**Our consultation is open 17 February to 29 March 2020**

- Planning application submission in **summer 2020**
- Planning decision expected **autumn 2020**
- Recycling centre construction starts in **early 2021**
- Recycling centre opening **autumn 2021**

**We want you to tell us what you think of our proposed site to help us refine the design before we submit a planning application in the summer 2020.**

**There are several ways you can respond to the consultation. You can:**

- Complete the consultation questionnaire online via [www.norfolk.gov.uk/wasteprojects](http://www.norfolk.gov.uk/wasteprojects) from **17 February – 29 March**
- Email us at [haveyoursay@norfolk.gov.uk](mailto:haveyoursay@norfolk.gov.uk)
- Respond in person at our consultation events:  
**Monday 2 March 10:30am – 1:30pm**  
The Forum, Millennium Plain, NR2 1BH  
**Thursday 12 March 4pm–8pm**  
Tesco Superstore, Ipswich Road, NR4 6DZ
- Write to Waste Management, Floor 6, Norfolk County Council, County Hall, Martineau Lane, Norwich, NR1 2DH.

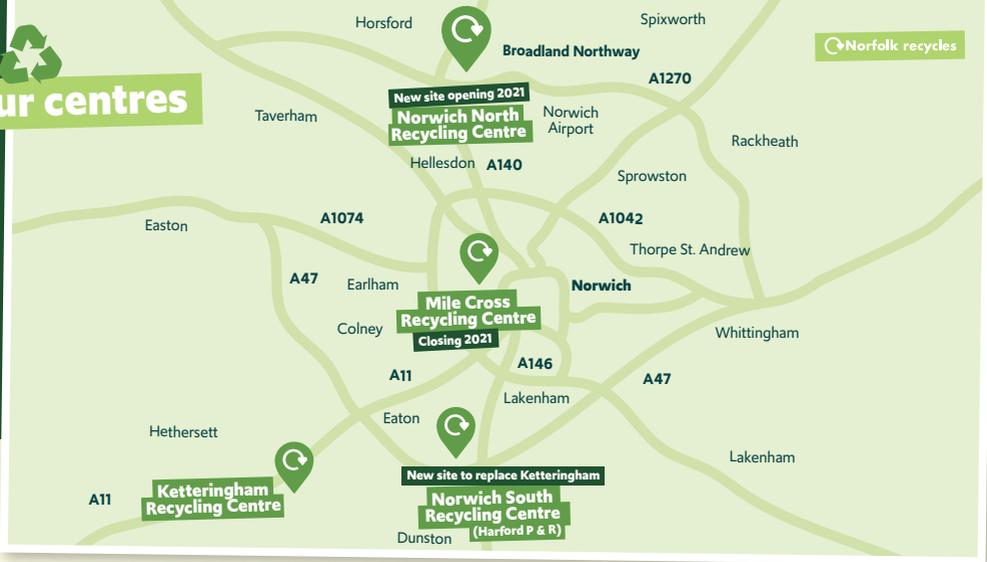

**For more information on recycling centres please contact Norfolk County Council**

## Our centres

Norfolk recycles

**The Norwich South Recycling Centre** will be located on part of the Harford Park and Ride and accessed from the junction of the A140 and A47 Southern bypass. **It will replace Ketteringham Recycling Centre.**

The park and ride will continue to operate, offering over 750 spaces with buses running approximately every 10-15 minutes for most of the day, Monday to Saturday.

## Why are we moving?

**We are investing  
£1.9 million**

in a new larger site which will have an improved layout and will not need to be closed for servicing the bins.

**Ketteringham Recycling Centre** is one of our busier recycling centres offering extended services such as hazardous waste days and trade recycling. The new modern site in an improved location will help us to continue to recycle and reuse more waste and support the growing population across Norwich.

### Key features planned for your new site:

- A larger reuse shop
- Plenty of parking spaces
- Pay As You Throw service for disposal of DIY waste and trade service for small businesses
- One way system for smooth traffic flow
- The site will not close for essential waste collection and servicing operations
- Low level bins with no steps
